Investigator in Training (90-day Probationary Period)		
<p>Investigator in Training</p>  <p>Inquiring member becomes IIT when they have been accepted to the online phase, passed SPIRITswp Membership 100 & have enrolled in the IIT Course.</p> <p>Investigator Role: Observer Supervision: Buddy System</p>		
<p>Note about IIT Course: Some people may ponder whether the IIT Course is an empty promise for membership because it is a "pay course." It is not an empty promise for SPIRITswp Membership. As long as the individual passes the course and upholds the SPIRITswp Standard's & Protocol's, he/she will be accepted into a Chapter, or be able to create his/her own Chapter if one does not exist in that area. Pay courses simply help to separate the weekend warrior's from the serious investigator's.</p>
